

# USA BMX Move Up List

If you were a NBL rider that joined the USA BMX family this year, please be sure to check this list to find your name (it is alphabetical by last name) and either the new classification or your current number of wins towards advancement.

Please remember that, within USA BMX, it is 8 wins to advance from Novice to Intermediate and 25 wins (or 5 national wins) in the Intermediate class to advance to Expert. And, most importantly, it is the RIDER'S responsibility to keep track of his/her wins and move themselves up to the next skill level when the required number of wins are attained.

Congratulations to those of you who have advanced to the next level in BMX and good luck to you at the President's Cup/Race Of Champions and "The Greatest Race On Earth" - the 2011 ABA Grands.

**We hope to see you there...**
